

## Advisor: Corporate energy sourcing

Full-time one year contract (initially)

Location: in-person, Brussels, Belgium

Eurelectric is the sector association which represents the common interests of the electricity industry at pan-European level. Eurelectric is leading the [European 24/7 Carbon Free Energy \(CFE\) Hub](#) which maps, coordinates and aligns initiatives in granular energy procurement area.

The European 24/7 Hub comprises over 300 corporate buyers, energy suppliers, associations, service providers, and traders. The aim of the Hub is to drive the adoption of hourly matched clean energy for a growing number of corporates that want to match their energy consumption with clean energy production on a certifiably local and hourly basis.

As project lead, you will, in collaboration with Eurelectric secretariat and partners:

1. Set the annual work programme and agendas for Hub meetings, public events, ad-hoc workshops and presence at international events
2. Input to strategic planning and implementation of the Hub activities
3. Regularly research, follow and communicate on 24/7 CFE developments on-line and in-person
4. Review, advise and respond to technical, policy and business issues relating to corporate energy sourcing
5. Represent the 24/7 Hub at external meetings and events
6. Closely align on policy developments with partners, members and key stakeholders
7. Proactively set up and attend meetings with relevant European policymakers and partners

### Profile

- Qualifications (Master's degree) in energy, economics, engineering or related topics
- 3 years of experience in energy markets and corporate sourcing of energy
- Knowledge and experience in 24/7 CFE and Guarantees of Origin are an advantage
- Excellent organisational skills, with emphasis on prioritising, goal setting, tracking progress and respecting deadlines
- Superior presentation and communication skills in English both written and verbal
- Ability to communicate technical and non-technical information and messages in a clear and concise manner
- Ability and permission to work in Belgium in-person and commit to business trips on a regular basis
- Team player with a creative personality, strong interpersonal and presentation skills, eager to learn and communicate on the essential role that 24/7 CFE can play in Europe's deep decarbonisation

### Our offer

Eurelectric offers a **competitive remuneration package** for full time position with a one-year contract starting as soon as possible. Contract extension may be possible depending on project funding.

### Application

A CV (maximum of 2 pages) and a short motivation letter (1 page) should be sent to [grondinelli@eurelectric.org](mailto:grondinelli@eurelectric.org) until **24 November** quoting "247 CFE Hub" in the subject line.

Please note that only short-listed candidates will be contacted for an interview.
